

Personal information

Name: YANING JIN **Gender:** Female **Postal Code:** M5G2K5 **Telephone:** 6478938768
Birthday: 2001.03.05 **Address:** 38 ELM ST **Email:** jinyaning010305@gmail.com

Education Background

University of Toronto **St. George Campus (Downtown Toronto)** **Fall 2021 to Present**
Bachelors of Arts and Science – Mathematics and Statistics double major

Professional Experience

- 2021.01-2021.03** **New Oriental Education & Technology Group** **Teaching Assistant**
- Supervised primary school students through required English exams, and helped improve the average grade of the class taught to 85%
 - Developed interactive teaching materials to enhance student learning experience
 - Taught exam strategy and testing taking techniques to maximize scores
 - Effectively facilitated parent-teacher communications to monitor student progress
- 2021.05-2021.06** **BOYA Public School Education** **Marketing**
- Within a month, generated nearly 5000 dollars in revenue for the company.
 - Through efficient communication with customers, attracted consumers and developed long-term partnerships.
 - Created eye-catching promotional posters, significantly expanding the company's visibility.

Extracurricular Experience

- 2022.09-Now** **University Of Toronto Republic Of Movie Believer** **Design Department Director**
- Responsible for liaising with the club's management to establish objectives, and delegating tasks to team members.
 - Oversaw the ideation and execution of department initiatives, crafting cinema-inspired, promotional, and social media posters for the club.
 - Conducted interviews for the club's annual department recruitment, guided new members in understanding poster design, imparted practical insights on poster design and layout creativity, and communicated promptly with each new member to ensure their quick adaptation to the club and their active contribution to the club's design work.
 - Organized and led various interactive activities between different departments within the club, promoting collaboration and building a strong team culture.
- 2019** **Toronto Charity Marathon** **Volunteer Group Leader**
- Managed volunteer teams, carefully segmenting and assigning tasks to ensure efficiency and cohesion. Created a positive collaborative environment to facilitate interaction among volunteers, ensuring rapid resolution of unforeseen challenges and smooth execution of event logistics.
 - Directed participants along the designated paths, supplied water and essentials, offered encouragement and provided indispensable support to all attendees.
- 2017-2019** **Church Volunteer**
- Assisted the church in completing weekly tasks, including cleaning the church, preparing meals and promptly providing help to those in need

Certificates & Projects

- Certificate:** INSIDE LVMH
- Gained an in-depth understanding of the luxury fashion industry, management philosophy, and relevant industry trends.
- Certificate:** Pursuing SAS accreditation
- Project (Data Analysis)**
- "Analysis of Daily Shelter Occupancy in Toronto"
- This project investigates the daily occupancy rates of shelters in Toronto with the aim of understanding the effectiveness of shelter utilization and improving Toronto's shelter system.
- "Gender Dynamics in Financial Decision-Making: Unveiling the Money Illusion Effect in Brazil"
- This project investigates gender differences in economic decision-making through a money illusion experiment conducted with 372 Brazilian participants. It aims to understand how men and women perceive financial risks and make choices under different economic scenarios.
